Please demonstrate water regulations compliance of supply pipe with this submission. Please include Water Industry Approved Plumbers' Scheme (WIAPS) certificates for each supply or request us to complete an inspection through the ESW request for supply pipe inspection form. Failure to follow this step can cause delays to your service connection approval

*If the connection is to an existing ESW main please supply RAMS including confirming crew competence to undertake connections. If the connection to the existing ESW main does not take place on the date planned above, this form must be resubmitted with the revised date

I confirm that the above connections are proposed. I confirm the connections will not be carried out without approval of Northumbrian Water.
